

## Personal and other services

These jobs are about making people look nice and keeping places clean. This group also includes jobs taking care of things when someone dies. No exam level jobs...

### Window Cleaner

**Window Cleaners** wash and polish windows for homes and business buildings. Some specialise in cleaning the windows of tall office blocks or flats. They may also offer other cleaning services, such as clearing out gutters.

### Caretaker

**Caretakers** look after places like schools, colleges, blocks of flats and community centres.

### Car Valet

**Car Valets** clean and polish cars for customers and companies. Some customers have their car cleaned regularly. Some companies sell, hire or repair cars and need to make sure that all their vehicles look smart.
